## **Access.Architectural launches collaborative program with industry leader Jokake Construction**

PHOENIX, Arizona--

Access Architectural, LLC, has formed an alliance with Dennis Gilbert, Hospitality Director of Jokake Construction to pursue ADA compliance, deficiency, and strategic planning projects with Valley hotels and resorts.

This collaboration has been established to meet the needs of the growing Hospitality Sector here in the Valley of the Sun. Additionally plans are in place to develop a major relationship with local hospitality organizations like the Valley Hotel & Resort Association. Jokake and Access.Architectural will collaboratively propose a range of services for consideration including:

- Full ADA accessibility site assessment and evaluation
- Report of suggested recommendations and solutions options
- Budgeting of compliance costs for Owner consideration
- Preparation of construction drawings and specifications for permitting and construction
- Construction of compliance modifications in accordance with above documents

On March 15<sup>th</sup>, 2012 the deadline for implementation of new 2010 ADA Standards has occurred. Jokake Construction and Access.Architectural feel that there is an extensive market and need for the services outlined above.

Please contact Peter Fischer at [peter@accessarchitectural.com](mailto:peter@accessarchitectural.com) or 480-577-1271 or Dennis Gilbert at [dennis.gilbert@jokake.com](mailto:dennis.gilbert@jokake.com) or 602-910-1700, to arrange for an introductory meeting and initial discussions regarding a process in which your property will meet and exceed ADA accessibility compliance.
